

GeneTravels.com Marriott Bonvoy Qualifying Spend & Points Tracking Sheet

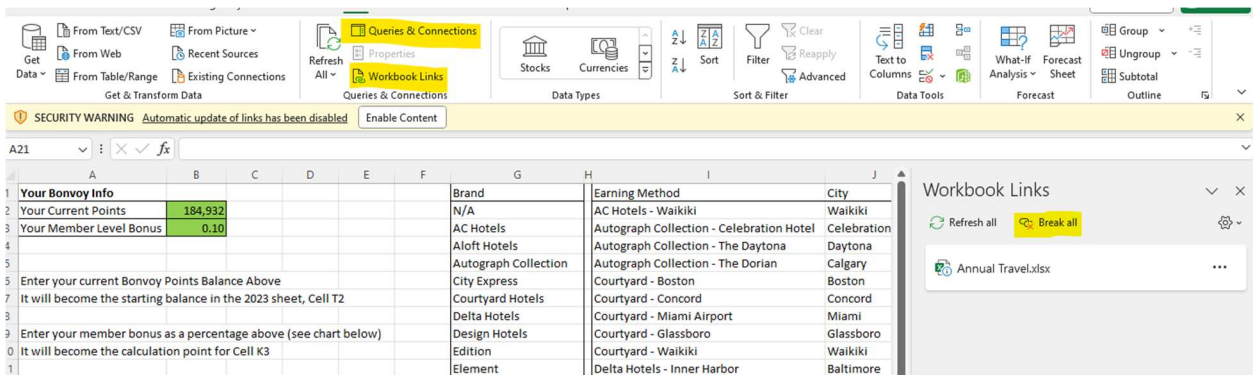

Bug Fix for version 1.4: Remove external link to Annual Travel.xls

Opening the spreadsheet reveals a security warning.

Click on the Data tab in the upper ribbon.

- Queries and Connection Block
- Choose Workbook Links
- The workbook links will show in the right.
- Click Break All

GeneTravels.com Marriott Bonvoy Qualifying Spend & Points Tracking Sheet

Confirm that you want to break the link – you do 😊

Microsoft Excel dialog box: Breaking links can't be undone. Are you sure you want to break links?

Buttons: Break Links, Cancel

Now the external link reference is removed.

Workbook Links task pane: There are no links to any external workbooks.

Link: [Learn to create workbook links](#)

Close and reopen the spreadsheet and the external link is gone.
